Score	Volunteer Conversion Potential	Visibility	Mission Alignment	Feasibility
5	High-intent audience + strong interaction + immediate sign-up opportunity	Major event - Signature local event - Thousands of attendees, very high exposure	Direct alignment - Mission-focused events - Audience already cares deeply about Company XYZ's mission	Very easy - Open access, low/no cost - Minimal setup, plug-and-play opportunity
4	Relevant audience + good interaction	Large - Multi-org or well-known event - High foot traffic, strong visibility	Strong alignment Mission-aligned or adjacent causes	Easy - Straightforward participation (tabling, sign-ups) - Manageable with small team

3	Some interest, moderate interaction	Medium • Themed fair • Decent turnout,	Moderate alignment • Broad topics • Some overlap, but not core	Moderate • Requires planning + coordination • Doable but not trivial
2	Low engagement, minimal relevance	Small • Small org event • Limited audience, low exposure	Weak alignment • General population, no clear relevance	Difficult • Some barriers (application, cost, coordination) • High time commitment
1	Passive audience, no intent, no interaction	Very small / niche • <50 people, low foot traffic • No broader awareness	No alignment • Unrelated (concerts, parties)	Very difficult • High cost, restricted access, heavy logistics • Requires a large team or approvals
