PROFESSIONAL EXPERIENCE

KPMG Tax and Advisory Limited

Hanoi, Vietnam

Risk & ESG Consulting Department Intern

Jul – Aug 2025

- Structured and synthesized ESG regulatory frameworks across 4 client engagements, filtering complex legal and sustainability data into insights that streamlined research and informed strategic recommendations under tight timelines.
- Built a 5-section Excel decision tool (60+ solutions) translating EDGE standards into a structured evaluation framework; streamlined analysis and reduced need for external ESG advisory support (~\$3.8K equivalent); identified significant gaps.
- Assessed carbon credit feasibility for a petrochemical client by structuring fragmented regulatory inputs from Verra, Gold Standard, and regulatory sources into a coherent process flow; designed a data-visualization flowchart enabling evaluation of viable project development pathways and informing initial development strategy (with KPMG Singapore).

180DC Consulting Connect

Los Angeles, California

Consultant

April 2026 – Present

- Selected for a 9-member consulting team advising an international sustainability nonprofit, delivered a strategic engagement focusing on workforce planning, competitive benchmarking, and revenue diversification initiatives within 10 weeks.
- Designed 1-year transition roadmap and quantified improvement levers based on performance gaps after benchmarking.
- Collaboratively produced 1 research paper, 1 SWOT analysis, and decision matrices after conducting client interviews.

EXTRACURRICULARS

UCLA Offbeat Sessions

Los Angeles, California

Vice President, Marketing, Design & Media Officer

Jan 2025 – Present

- Led growth strategy and marketing analytics, increasing Instagram following past 1,000+ milestone, strengthening brand positioning and community engagement. Drove 183,000 views in 30 days with data-informed content optimization.
- Achieved 520% increase in conversion rates, translating engagement into measurable participation outcomes.
- Owned end-to-end execution and led the marketing of 3 high-impact events, managing cross-functional coordination.

UCLA Bruin Finance Society

Los Angeles, California

Intern, Marketing Family Member

Feb 2025 – Jun 2025

- Selected for competitive 10-week program focused on structured problem solving, market analysis, and networking.
- Analyzed business cases, breaking down ambiguous problems into frameworks and executive-level recommendations.
- Collaborated in teams to present findings and defend strategic recommendations to mentors.

Green School Vietnam (GSV)

Hanoi, Vietnam

President, Founder

Sep 2019 – Jun 2024

- Represented organization at UN Under Secretary-General reception and Ministry-level climate policy conferences.
- Founded and scaled a 600-member organization, owning strategy, operations, and stakeholder engagement.
- Led execution of 4 large-scale sustainability campaigns and a conference on circular economy: managed logistics, outreach, and impact tracking. Coordinated multi-stakeholder initiatives supporting 126 students, 31 households, and 3 schools.
